CUSTOM GRATE COLOUR
Customise the colour of the grate and match it to the tray to multiply the options.

X_F GRATE
Replacement bright polished steel grate.

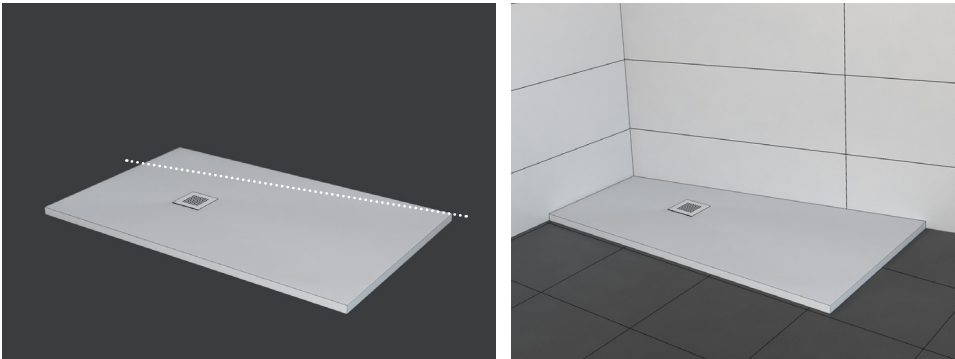

SPECIAL SIZES
In addition to the sizes available in stock or on request, customised orders can be made for any size by cutting an existing plate, respecting the safety distance from the valve.

CUSTOMISED EDGES
Custom edges, 10 mm high × 50 mm wide, made from STRATO-Titanlight® in smooth texture.

MACHINED FOR SCREEN
Customised grooving in the tray to fit a fixed screen.
It is essential to enclose a technical drawing with the order, indicating whether the tray will be recessed in the wall.
Specially prepared for the BathGlass shower screens from the Torvisco Group catalogue.

SPECIAL CUT / PILLAR CUT
Personalise your tray to suit any bathroom.

STRATO-TITANLIGHT® REPAIR KIT 100 ml.
Recommended for small repairs (scratches or chips).
Includes bucket, roller, sandpaper and instructions for use.
